

## Powerful Cold and Flu Fighter

Olive Leaf Australia offers a range of olive leaf liquid extracts to support the immune system and protect against colds and flu.

Renowned for their powerful antioxidant properties, olive leaf liquid extracts contain a 400 per cent greater antioxidant power, equivalent to 40 oranges.

Made directly from freshly picked olive leaves, evidence shows olive leaves support macrophage function helping your immune system and may help to maintain a healthy cardiovascular system.

Olive Leaf Australia's liquid extracts are available in natural, peppermint and berry flavours.

## Menopause Home Test Now Available

Pharmacies can now offer Australian women concerned about potential menopausal symptoms such as hot flushes and irregular periods access to menopause home test kits.

Home-Check Instant In-stream Menopause Tests are a first diagnostic step for women, not as an alternative to seeing a healthcare professional.

The menopause test is designed to measure follicle stimulating hormones which rise as menopause approaches, with results available in one minute.

RRP: \$19.95. Contact: 1800 833 416.

## Natural Arthritis Relief

Arthritic pain relief is now at hand with the 100 per cent pure and natural Rose-Hip Vital with powerful anti-inflammatory properties.

Rose Hip Vital is the only product containing the patented Galactolipid (GOPO) compound isolated from the Rosehip (Rosa Canina) which acts as a natural anti-inflammatory.

Now available in capsules and a new easy-to-take 125g power, Rose-Hip Vital provides temporary relief from the pain of arthritis, osteoarthritis and rheumatism.

The product also increases joint mobility; relieves inflammation and joint swelling; and improves osteoarthritis symptoms in the hands.

RRP: \$59.95 (Capsules). \$52.95. (Powder).
